

# Pen Tool + Shapes

OCTOBER 15  
MEETING 3

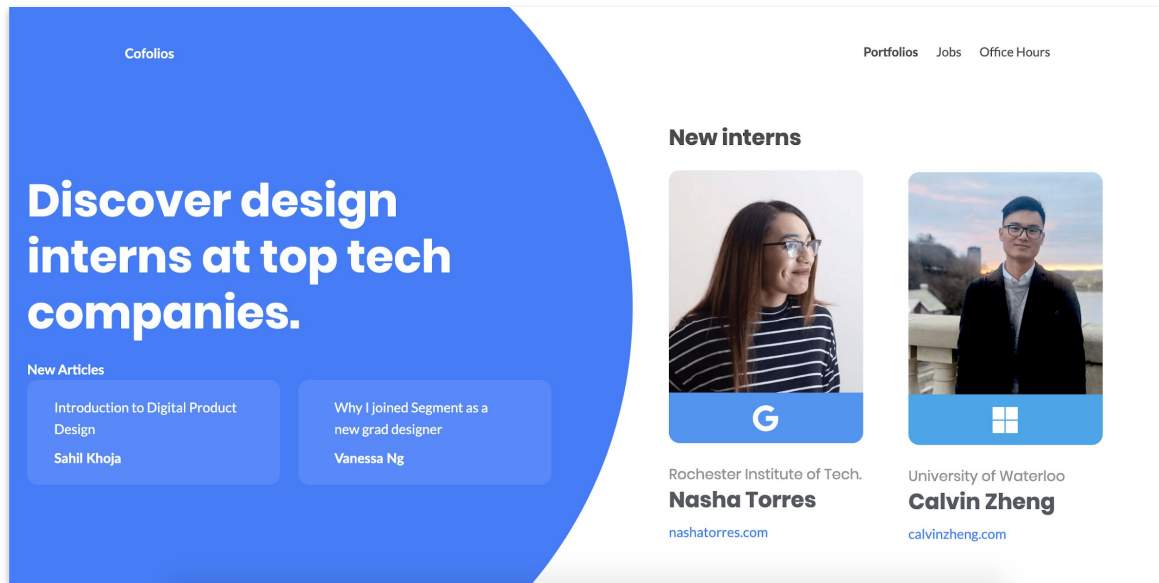

Design Trend of the Week:

# Isometric Illustrations

Resource of the Week:

# Cofolios.com

# Pen Tool

## Workshop

# Why use the pen tool?

- The pen tool is one of the most powerful tools you have
- Allows you to create custom vector objects
- Precise
- Flexible

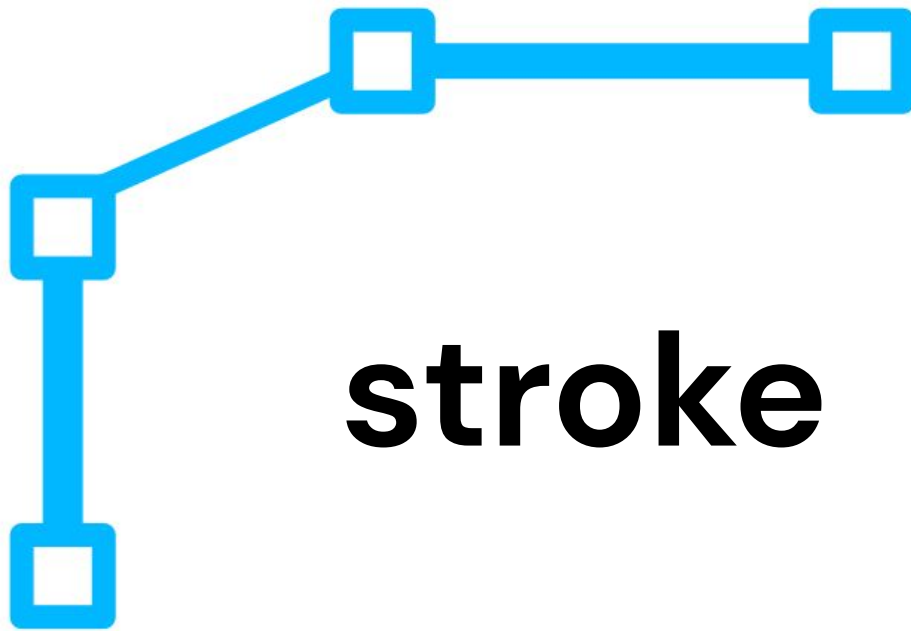

# Pen Tool Vocab

path

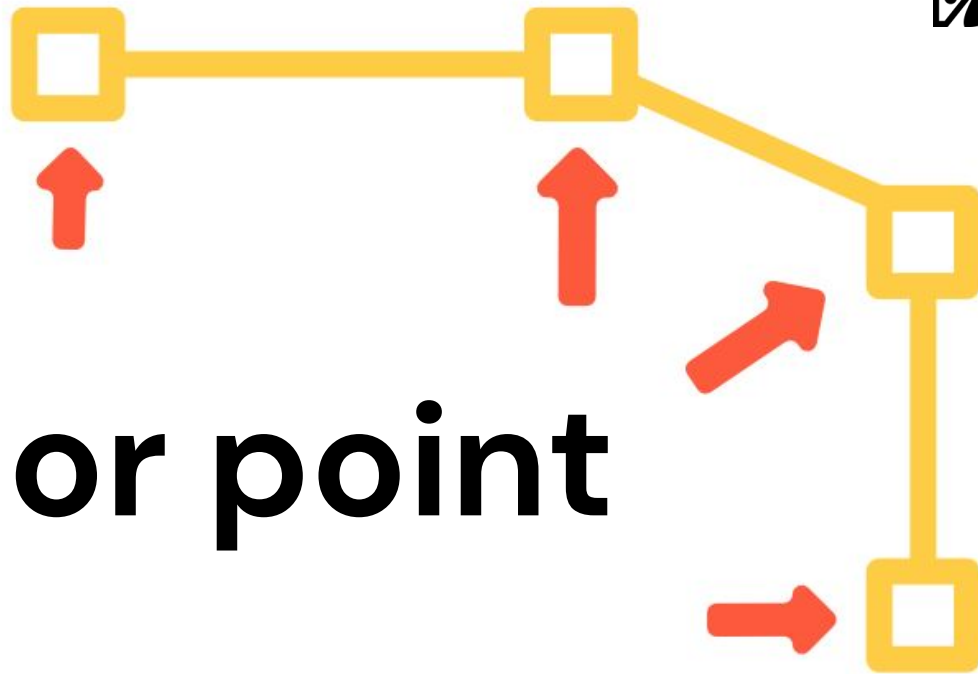

**stroke**

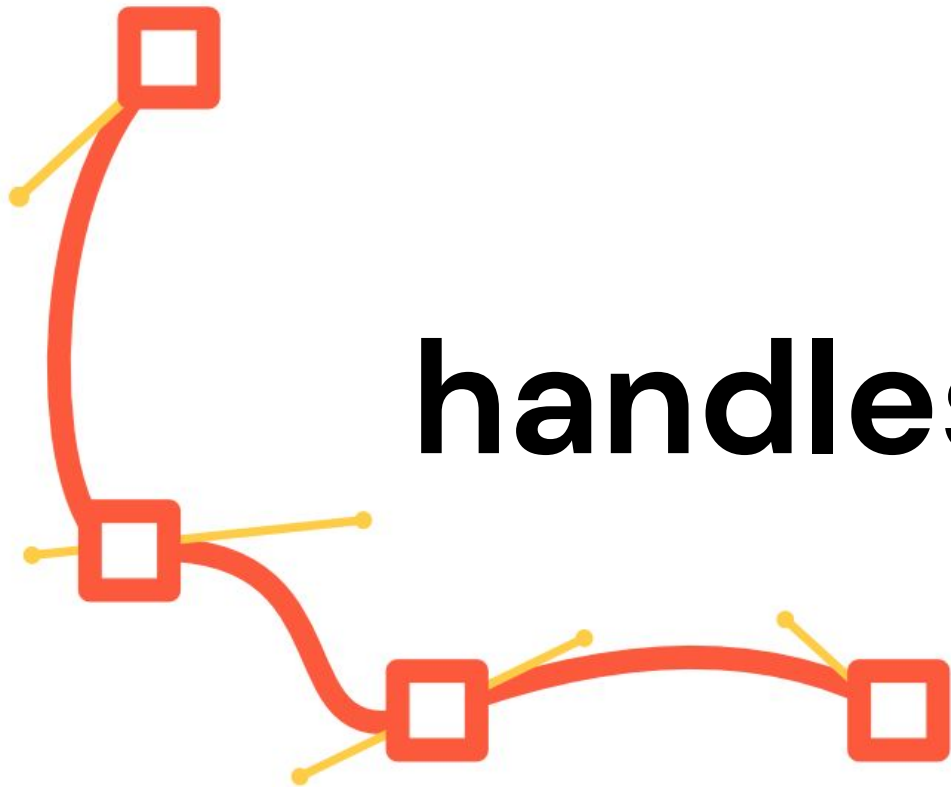

**anchor point**

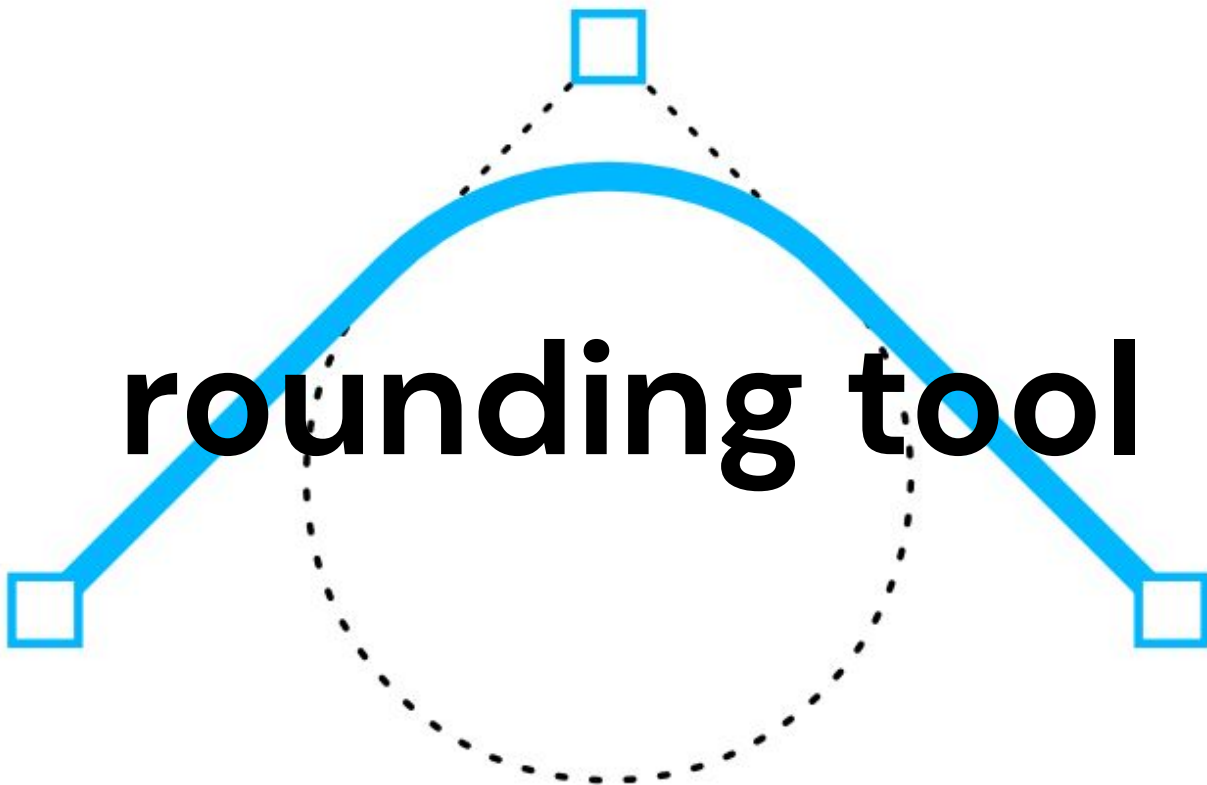

# handles

**rounding tool**

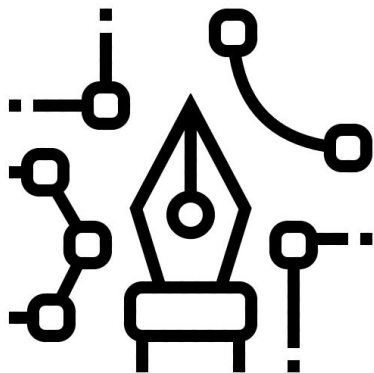

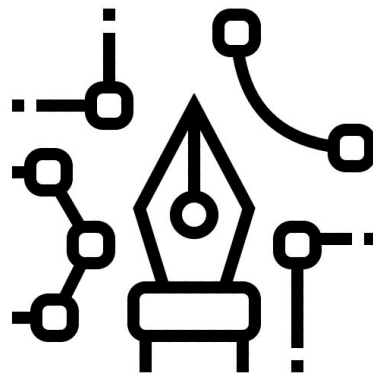

# Demonstration

# Pen Activity!

Recreate this in figma  
Using only the pen tool  
and the corner tool :)

# Shape

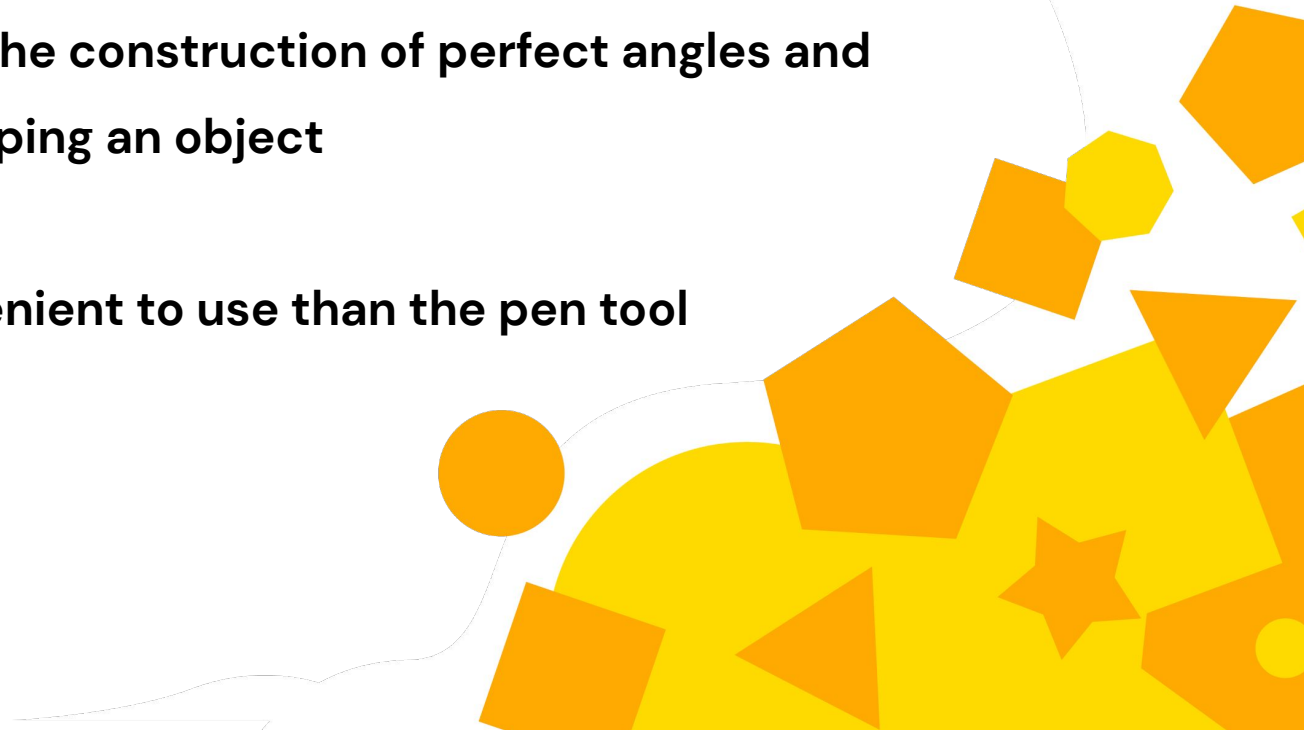

## Workshop

# Why use shapes?

- Shapes allow for the construction of perfect angles and arcs when developing an object
- Very geometric!
- Much more convenient to use than the pen tool
- Easier!

# shape vocabs

# add/union tool

# subtract tool

# intersect tool

# xor/exclude tool

# divide tool

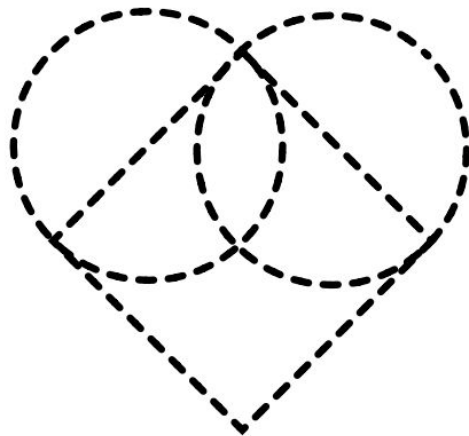

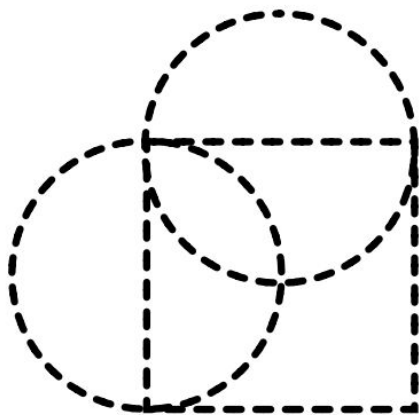

# Demonstration

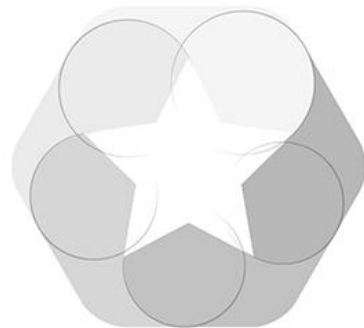

**What can  
combining shapes  
do?**

# Demonstration

Recreate these graphics by only combining and rounding basic shapes.

# Activity Time

# Camera Icon

- Get into groups of three
- Make a camera app icon/logo
- Start sketching your designs with your groups (If you want to)
- Open the group figma document and build your logos! (20 mins)
